FREIGHT MANAGEMENT

End-to-end handling of sea, air, and multimodal freight with full documentation.

CUSTOM CONSOLIDATION

Combine multiple SKUs into a single shipment—optimising cost and logistics.

REGULATORY COMPLIANCE

Support with customs clearance, export/import paperwork, and product certifications.

FLEXIBLE SUPPLY MODELS

- One-time orders
- Recurring procurement
- Bulk purchasing for new projects or renovations

How We Work

1. Inquiry & Quotation

We confirm product specifications and share a clear quotation with lead time.

2. Advance Payment

A 50% advance is required to initiate production or stock allocation.

3. Production Updates

Regular videos and images are shared for:

- Manufacturing updates
- Packing
- Quality checks

4. Final Payment & Dispatch

Once the order is ready, the remaining amount is collected and the shipment is dispatched with tracking and complete documentation.

5. Aftercare

Post-shipment support includes delivery coordination, customs guidance, and feedback follow-up.
